Snowballs = DETENTION!

Snowballs are dangerous! For your child's safety, we cannot allow any snowballs to be thrown. Anyone caught throwing snowballs at another student will receive a **30-minute detention** after school. Please discuss this important safety rule with your child.

HOT LUNCH

To find nutritional information, check the menu for the day, view your child's hot lunch account balance, or to deposit funds electronically, please visit gomaroons.org and click on the department tab and then food services. Please contact Nick Marquardt, our Food Service Director at 906-863-8599 if you have any questions.

SCHOOL OFFICE HOURS

7:30 AM—4:00 PM

Please call school by 8:30 AM if your child will be absent from school.

Box Tops

Please continue clipping and sending in Box Top\$ for our 2nd Box Top contest! The class that turns in the most Box Top\$ will win a special prize! Please cut out the Box Top\$ and put them in a plastic zip bag with your child's name and teacher's name clearly printed on the outside! It doesn't matter how many Box Top\$ or Bonus Box Top\$ are in the bag! Please send in all your BoxTop\$ to your child's teacher by Thursday, December 21st! Our school earns 10 cents for every Box Top collected, so thank you in advance for participating! Our Box Top\$ goal for this year is \$1,600.00 and we are currently at \$246.20! Good luck to all of the classrooms!

Power Announcement via School Messenger

As winter approaches, It is important that we have correct contact information for families, especially in the case of an emergency. In the event that school closes early or is cancelled, the district will send out an "all call" using School Messenger. In the past when automated calls were made, the office received many phone calls asking what the Power Announcement was. If you would like it sent as a text message or email, please call the office at 906-863-3605, and we can update your account so you don't miss a message in the future. Also, in the beginning of the school year, you completed a form letting us know how your child will get home if we have an emergency closing of school. If this information has changed, please contact us.

Dress For Winter Weather

Winter will soon be here! This is a good time to remind your child to come to school dressed appropriately for cold weather. Winter coats, snow pants, hats, and mittens should be the daily attire for all school children. Recess is great fun for those who are dressed warmly! Please make sure your child comes to school with all the essential outerwear to enjoy the fun of winter.

If the temperature or wind chill falls **below 10 degrees**, our students can enter the building through the doors along 18th Street as soon as they arrive at school, and they will go to the gym. They will also have indoor recess on these extremely cold days.
